

OSiK MEDIa

Outdoor Media, Where you want it, When you want it.

113MB Mobile Billboards

Description:

Mobile Billboards

Allow advertisers the opportunity to creatively use both faces of the Display. Mobile Billboards demand attention and generate high brand awareness. Mobile Billboards function as rolling billboards. Our Displays penetrate every part of the market and deliver high profile exposure that generates quick recall and brand awareness in a pre-designed area to reach your buying group.

Where you want it, When you want it.

Dimensions:

• Copy Area: 10'(h) x 20'(w) Both Sides
Exact dimensions/Specs Sheet available upon request

Advantages of this medium are:

- **Saturate/Reach specific geographic target markets**
- **Reach places where traditional outdoor is not available**
- **Achieve guaranteed visibility on the streets, freeways, at grand openings, trade shows, sporting events, and The Like**
- **Change your message for different areas/campaigns and as often as you want**
- **Our Displays are also available at night, being fully illuminated**
- **Sound and Interactive Displays are available**
- **Full recap and details of campaign will be available at the end of the execution**
